These acts were carried out by para-military agents and corporate agents under the guise of judgments rendered by administrative agent(s) acting as a judge(s) in an administrative tribunal calling itself a "civil court" which is, in reality, a Roman court [military] and they/you have done so without proper due process of Law.
2. These acts were specifically directed at Richard-Enrique; of the family Ulloa (June 18, 2010) whom, by your error, you presume to be some ens legis, procedural phantom, straw man, corporate person, legal fiction. Who, in reality, is a living breathing man, a private civilian upon the land on the Ulster county A. D. 1683, New York Republic- 1777 A.D.
3. This cause will be found in favor of the Witness Protection Witness complainant upon defendant's failure to appear and show cause or defend their position.
4. Lawful process and court date and time is hereby issued by Justice Mark-Arnold, and served upon all parties allowing adequate time for response/appearance including

### **NOTICE IN THE NATURE OF WRIT OF ERROR CORAM NON JUDICE AND DEMAND FOR TERMINATION OF YOUR INSTANT ACTION OR IN THE ALTERNATIVE A STATEMENT OF YOUR JURISDICTION**

Now from our *de jure* court and before your *de facto* corporate court comes, Public Minister of Justice, Mark Arnold, with **Judicial Notice: In the Nature of Writ of Coram Non Judice and Demand for The Termination of your Action(s) or in the Alternative a Statement of your Proper Jurisdiction.**

Pursuant to your FRCP Rule 4(j). Your court, defined under FRCP 4(j) is a FOREIGN STATE as defined under 28 USC sections 1602- 1611 FOREIGN SOVEREIGN IMMUNITY

ACT (FSIA), is being jurisdictionally challenged and full disclosure of your court's true jurisdiction is now being **demand**ed.

**Any** failure to disclose the true jurisdiction of your court is a violation of **15 Statutes at Large, Chapter 249 (section 1), enacted July 27, 1868.**

**Chapter CCXLIX---- An Act concerning the Rights of American Citizens in Foreign States:**

"Whereas the rights of expatriation is a natural and inherent right of all people, indispensable to the enjoyment of the rights of life, liberty, and the pursuit of happiness; and,

whereas the recognition of this principle this government has freely received emigrants from all nations and invested them with the right of citizenship; and,

whereas it is claimed that such Americans citizens, with their descendants, are subjects of foreign states, owing allegiance to the government thereof; and,

whereas it is necessary to the maintenance of public peace that this claim of foreign allegiance, should be promptly and finally disavowed;

Therefore, Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled. That any declaration, instruction, opinion, order, or decision of any officers of its government which denies, restricts, impairs or questions the rights of expatriation, is hereby declared inconsistent with the fundamental principles of this government. "

This *de jure* forum does hereby **demand** your authority and proclamation of your venue and jurisdiction to come against a foreign sovereign. If your FOREIGN CORPORATE ENTITY is misusing the name of any foreign sovereign by placing it in **ALL CAPITAL LETTERS**, or misusing The family name, or using the term "person" as a CORPORATE ENTITY, all complaints and suits against such CORPORATION fall under THE FOREIGN SOVEREIGN IMMUNITY ACT and under the DEPARTMENT OF STATE OFFICES in Washington D.C. The District of Columbia now has to be notified pursuant to 22 CFR 93.1-93.2. A copy of the FSIA has to be filed, with the complaint, to the defendant's chief executive officer of said CORPORATION.

CORPORATE MUNICIPAL, COUNTY, OR STATE COURTS lack jurisdiction to hear any case under the FOREIGN STATE definitions. This jurisdiction lies with the district court under the FSIA Statutes pursuant to 28 USC section 1330.

And, whereas :Richard-Enrique: is not a fictitious corporate entity; and, whereas she is not registered with any Secretary of State as a CORPORATION. Your prosecution has **failed to state a claim upon which relief can be granted under FRCP 12(b)(6).**

**Therefore:** this matter shall be dismissed for lack of political, in personam and subject matter venue and jurisdiction and improper "due process of Law". Or in the alternative name, on and for the record of this *de jure* forum, your court's authority and jurisdiction to prosecute a foreign sovereign.

For your edification and quick reference. Definitions:
